Mission

1. **The school has a clear and accessible mission which guides the school's admissions, educational programme, planning, and decision making.**
 - 1.1 The mission is supported by the school's stakeholders.
 - 1.2 The school periodically reviews its mission.
 - 1.3 There is an ethical and transparent admissions process.
 - 1.4 The school endeavours to meet the diverse needs of all students accepted for admission. Should the school not be able to do so, they will assist parents in finding an alternative school.
 - 1.5 The school complies with all applicable laws.
 - 1.6 The school values feedback and is committed to institutional improvement and to the process of quality assurance provided by OISESA.

Governance & Leadership

2. **The school has an effective leadership structure and an appropriate form of governance that ensures the school remains true to its mission and that it has the necessary resources to ensure its long-term sustainability.**
 - 2.1 **The Board**
 - 2.1.1 The Board is strategic in planning for the school's future, and this planning aligns with the mission of the school.
 - 2.1.2 The Board maintains a collaborative and effective working partnership with the Head of the school.
 - 2.1.3 The Board delegates the operational and educational functions of the school to the Head of the school.
 - 2.1.4 The Board has both a written contract and a performance contract with the Head and regularly communicates their expectations to the Head.
 - 2.1.5 The Board communicates effectively and appropriately with the school community.
 - 2.1.6 There is a clearly communicated policy which governs the appointment of Board members.
 - 2.1.7 The Board provides an orientation programme for new Board members.
 - 2.1.8 Board members have a clear understanding of the Board's role and of individual expectations and duties, and always act in the best interests of the school.
 - 2.1.9 The Board engages in training and education related to best practices for school governance.
 - 2.1.10 The Board has processes which ensure that it operates efficiently and effectively.

2.1.11 The Board effectively maintains its fiduciary responsibility and engages an independent accounting firm to conduct an annual audit or review of the school's financial statements and practices.

2.1.12 The Board has appropriate policies to manage conflicts of interest.

2.2 Leadership (The Head and the Senior Leadership Team)

2.2.1 The school has an effective leadership structure.

2.2.2 The Head of the school provides appropriate leadership and guidance.

2.2.3 The leadership team critically assesses the effectiveness of current practices and is committed to innovation and continuous improvement.

2.2.4 The school plans effectively for leadership development and succession.

2.2.5 Policies are reviewed and updated periodically.

2.3 Sustainability

2.3.1 There is sound management of finances, ensuring the long-term financial sustainability of the school.

2.3.2 Appropriate financial controls are in place to ensure sound management of the financial resources of the school.

2.3.3 The school has adequate insurance coverage and meets the minimum requirements to qualify for the ISASA umbrella insurance.

2.3.4 The school's risk management plan effectively caters for continuity and stability through periods of crisis.

2.3.5 The school actively promotes the importance of environmental sustainability and seeks ways of improving environmental stewardship.

Culture & Climate

3. The school fosters a culture of diversity¹ and inclusion of students, families, and staff and recognises their fundamental human rights and dignity, which is consistent with the Bill of Rights, and aligns with the school's mission.

3.1 As an ISASA member, the school is committed to a democratic, non-discriminatory society and a school community based on fairness and diversity. (This is on the membership certificate)

3.2 Principles of diversity and inclusion are defined and incorporated into the school's educational programme, policies, and decision making at both the operational and governance levels.

¹"Human diversity refers to differences among groups and individuals based on their race, gender, religion, culture, language, national origin, disability status, socio-economic status, age, ideology, sexual orientation, personality and life experience". A Guide to Effective School Transformation and Diversity Management (p 13) refers to the ISASA Anti-Racism Statement for details stipulated in Constitutions of the countries in which it has member schools: South Africa, Namibia, Lesotho, eSwatini, Zambia, Botswana, Mauritius, Angola, and Mozambique. (p 2)

- 3.3 The school articulates the importance of diversity and inclusion to its staff, students, and community.
- 3.4 A culture of respect underpins interactions within the school community.
- 3.5 The school ensures an equitable, inclusive, safe, and just environment for its students, staff, and families.
- 3.6 Staff are regularly trained in current topics, language, and academic content related to racism, sexism, discrimination, bias and other aspects of diversity, equity, and inclusion.
- 3.7 The school has processes in place to recruit, hire, and support a diverse staff at all levels.

The Education Programme

4. The school provides a documented education programme which aligns with the mission of the school and meets the needs of its students.

4.1. Curriculum Delivery

- 4.1.1 The school clearly articulates the objectives of its curriculum to its stakeholders.
- 4.1.2 The curriculum is relevant, dynamic, and innovative, and informed by relevant research in Early Childhood Development.
- 4.1.3 There is effective provision for the learning of different official languages, according to the school's context.
- 4.1.4 Teaching practices are reviewed regularly, and teachers make use of various user groups and other resources to improve and strengthen their practice.
- 4.1.5 The school offers an appropriate co-curricular programme which specifically addresses the intellectual and developmental needs of children in the ECD phase.
- 4.1.6 Time is allocated appropriately to academic, sporting, cultural, [and spiritual] activities, according to the school's mission.
- 4.1.7 The school has sufficient instructional materials, resources, and equipment to support the goals of the education programme.
- 4.1.8 Technology is integrated effectively into the curriculum, and teachers are provided training to stay abreast of new trends.
- 4.1.9 The school has the capacity to implement a variety of age-appropriate learning formats, including face-to-face, blended, and online learning.
- 4.1.10 Opportunities are provided for students to engage in age-appropriate community service, where possible.

4.2. Teaching & Learning

- 4.2.1 Teachers have thorough subject knowledge, and they can apply developmentally appropriate pedagogical approaches for young children.
- 4.2.2 Lessons and activities are carefully planned and designed to encourage active student engagement and participation.
- 4.2.3 Lessons and activities are differentiated to meet the needs of all students.
- 4.2.4 Lessons and activities incorporate key 21st century concepts such as creativity, critical thinking, collaboration, communication, and environmental sustainability.
- 4.2.5 Class sizes are manageable and align with the school's mission statement.
- 4.2.6 Teachers strive to improve their own professional learning, seeking out relevant courses, conferences, and other opportunities to learn.
- 4.2.7 Teachers use a variety of assessment strategies to affirm student learning and development.
- 4.2.8 Regular meaningful feedback is provided to students to improve learning outcomes.

Student Well-Being

5. The school supports the well-being of all students, including their academic needs and pastoral care, to ensure a positive school experience.

- 5.1 There is a clearly communicated code of conduct in place for all students, outlining expectations in terms of appropriate behaviour, manners, and respect for self and others.
- 5.2 The school is committed to all students achieving their developmental milestones and provides appropriate assistance or referral to the appropriate support specialists where necessary.
- 5.3 The school provides appropriate counselling and support services for students who may experience difficulties with mental health or wellbeing; or can refer students for external help.

Safeguarding

6. The school is committed to maintaining a safe environment to protect students from harm.

- 6.1 The school has documented safeguarding policies and procedures which align with the ISASA Child Protection Policy to protect students from harm. These policies are communicated clearly to stakeholders and updated regularly.
- 6.2 Lists of relevant services, authorities and organisations with contact details are clearly communicated to students, staff, and parents.

- 6.3 The school educates staff in all aspects of safeguarding and in the legal requirements of mandatory reporting of incidents.
- 6.4 All staff are registered with SACE or the appropriate authority.
- 6.5 All staff have undergone rigorous reference and background checks, including Police Clearance, the Sexual Offenders' Register, and the Child Protection Register.
- 6.6 The school provides appropriate adult supervision during school hours and on any excursions, camps, trips, and outings.
- 6.7 Staff strive to develop students' understanding of strategies for their personal safety and protection, including an understanding of digital citizenship to ensure appropriate and ethical use of technology.
- 6.8 There are clear and effective reporting structures in place for students and staff to report incidents, as outlined in the ISASA Child Protection Policy.

Staffing

7. The school is appropriately staffed to meet the requirements of the school's educational programme, operational requirements, and co-curricular programme.

- 7.1 There is a code of conduct in place for all staff, outlining roles, responsibilities, and expectations in terms of behaviour and respect for others, and which complies with the ISASA Code of Conduct.
- 7.2 Staff are appropriately qualified to fulfil their roles.
- 7.3 Staff are encouraged to pursue professional learning opportunities which align with the school's strategic academic goals.
- 7.4 Staff have clear job descriptions and understand their key performance indicators.
- 7.5 There is evidence of an effective performance management process, which encourages self-reflection and provides opportunities for improvement.
- 7.6 The school supports the well-being of staff and provides a safe working environment.
- 7.7 Staff are appropriately included in decision-making.

Facilities & Infrastructure

8. The school's buildings, facilities and infrastructure effectively support the needs of the school's education and co-curricular programmes.

- 8.1 The school's facilities are accessible and age appropriate.
- 8.2 Classrooms, activity areas, and outdoor play spaces meet the needs of children in the ECD programme.
- 8.3 The facilities are clean, safe, and well maintained.

- 8.4 There is a documented facilities plan covering future needs, improvements, and additions, aligned with the school's resources.
- 8.5 Where possible, the school's facilities cater for the needs of differently abled members of the community.
- 8.6 The school's information management systems are effective.
- 8.7 The school maintains accurate records for both current and former students, and staff.
- 8.8 Data privacy and security are maintained according to the provisions of the relevant legislative framework.

Health & Safety

9. The school's Health & Safety policies and procedures ensure that it is a safe place for staff and students.

- 9.1 The school complies with all health and safety legal provisions.
- 9.2 The school has a crisis management plan for a critical incident or emergency that is clearly understood by staff, students, and parents. (fire drills, transport accidents or other emergencies)
- 9.3 There is adequate provision for monitoring safety in key areas, such as entry points and playground areas.
- 9.4 The school ensures that all transport provided for off-campus activities is adequate and safe and complies with all legal requirements.
- 9.5 Facilities and staffing for food services are adequate and the quality of the food meets nutritional requirements, and health and safety standards.

Communication

10. The school communicates regularly and effectively with its community.

- 10.1 There is a code of conduct in place for parents, outlining expectations in terms of responsibilities, respectful interactions, and behaviour.
- 10.2 The school communicates regularly with its stakeholders about its mission, operations, as well as its education and co-curricular programmes.
- 10.3 Regular meaningful feedback is provided to parents about students' progress and well-being.
- 10.4 Regular parent-teacher meetings are held to keep parents apprised of students' progress.
- 10.5 The school values constructive feedback and there are clear reporting structures in place for parents to raise any concerns.
